

ALUMINIUM VENETIAN BLINDS

The Taylor Aluminium Venetian Blind range is versatile and exciting, with a wide variety of creative options including a choice of colours and finish effects. Whether you go the conservative or trendy route, these blinds will suit any room at home or in the workplace and can be fitted to any type of window or door. They allow you to control the amount of light and privacy entering a room by tilting the slats, closing them completely or raising the blind.

Taylor Blinds and Shutters has been manufacturing blinds for over 50 years. It is a member of Trellidor Group, which will continue the Taylor family tradition of supplying innovative, top quality products backed by superb service and warranties.

FEATURES AND BENEFITS

- Made-to-measure for each window or door.
- Choice of 25mm or 50mm wide slats.
- Slats can be tilted to control light penetration into a room.
- Lightweight and easy to pull up.
- A short stacking height opens up more of the window or door opening when required.
- Cords, tapes, head and bottom rails are colour co-ordinated to your choice of slat colour.
- Stainless steel pins used to ease the cord pull won't corrode, rust or damage the cords.
