

TRELLIDOR ESTATE CLEAR GUARD

Our Estate Clear Guard hinged design is reasonably priced, multi-purpose and good-looking. It has a neat aluminium frame and a see-through mesh. It has a multitude of uses like blocking out insects and other wildlife, filtering UV rays and intense heat to reduce internal temperatures and allowing fresh air to flow inside. As expected of all Trellidor products, it has built-in strengthening features, enhanced by a Trellidor locking system.

All Trellidor security barriers are manufactured at our LPCB ISO audited factory. The manufacturing process includes pre-treatment for enhanced corrosion and UV resistance before undergoing powder coating. This helps to retain the quality finish and increases the lifespan of the barrier, making them suitable for both coastal and inland conditions.

FEATURES AND BENEFITS OF HINGED TRELLIDOR ESTATE CLEAR GUARD

- Estate Clear Guard is beautifully made, with a quality finish, at an affordable price
- It has a streamlined, full aluminium frame and fits neatly beside the door or window.
- The mesh screen blocks out everything from insects to snakes.
- It filters out the sun's harsh UV rays, helping to moderate internal temperatures.
- The woven mesh allows some fresh airflow into the home.
- You can see right through the mesh screen, so lovely views remain visible.
- Estate Clear Guard units are fitted with patented Trellidor locks that are known for their strength.
- The screens can be mounted in the reveal or face-on, depending on the location.
- Pre-treated against corrosion and powder coated.
- All units are supplied with black hinges and handles to blend in with the mesh screen.
- They are custom-made to fit any type of door or window.

WARRANTY

With the correct maintenance, our products will help keep both corrosion and criminals at bay. Ask your Trellidor Security Consultant about our recommended maintenance regime to ensure the validity of the full warranty.

• Materials	Coastal - 1 Year	Inland - 3 years
