FOR MORE INFO

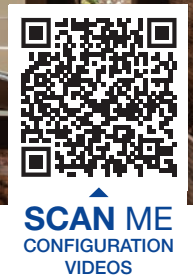

Attractive transparent burglar proofing for contemporary lifestyles.

Poly Guard is ideal for homes, offices, and hospitality establishments that don't require highly visible burglar proofing. Crafted from transparent yet strong polycarbonate slats and a four-sided frame, this design is barely visible while helping to keep out small wildlife and intruders.

FEATURES & BENEFITS

- Made from lightweight yet strong transparent Polycarbonate panels.
- Aluminium frame provides neat finish and improved strength.
- Manufactured using unique tamper-proof fixing system.
- Fixed into surrounding substrate for improved strength.
- Various gaps between slats are available for your specific requirements.
- Easily accommodates window handles and hinges.
- Blocks out monkeys, baboons and human intruders.
- Ideal for estates with strict rules about burglar proofing.
- Custom-made to fit by Trellidor and professionally installed.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.
- Attack tested to ensure they conform to Trellidor strength standards.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
