TRELLIDOR
THE ULTIMATE CRIME BARRIER

Best-sellers for over 40 years, the high-end Trellidor Trojan Alu Classic Retractable Security barrier has few rivals in terms of strength and is ideal for coastal areas. Engineered with strengthening features to resist attack, it provides superior, resilient protection for your home or business every day.

FEATURES & BENEFITS

- Custom-made, fully framed aluminium sliding gates.
- Manufactured from aluminium for strength and corrosion resistance.
- Smooth exterior as there are no visible rivets.
- Fitted with strong Trellidor locking system for additional strength.
- Fitted with a unique double Trellidor locking system: multiple locking points with one key point.
- Roll-formed top track (top hung) for smooth gliding action when opening and closing the gate.
- Excellent quality glass-filled nylon wheel holders and sealed bearings contribute to smooth operation.
- Flights link three uprights together for easy operation, increased strength, and neat stacking.
- Matches Trellidor Fixed range of burglar bars for windows in terms of style and strength.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.
- Robust double trellis design.
- Special options, such as curved units, are available.
- Attack tested to ensure they conform to Trellidor strength standards.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
