FOR MORE INFO

Beautifully designed fully framed security barriers for doors and windows.

Trojan TX is a strong double upright design in expanding or fixed formats. The retractable gates combine robust strength with smooth operation while the matching fixed burglar bars provide dependable window protection.

FEATURES & BENEFITS

- Roll-formed top track (top hung) for smooth gliding action when opening and closing the gate.
- Purpose designed aluminium rivets for resistance during attack.
- Upright assembly with roll-formed steel uprights for overall unit strength.
- Fitted with a unique double Trellidor locking system: multiple locking points with one key point.
- Choice between Trellidor deadlock or slamlock.
- Lock cover to protect the lock box.
- Upright nylon sill guide with zinc plated spacer tube and aluminium rivets to resist attack and to provide a smooth glide.
- Links cross over and connect three upright bars for easy, uniform operation.
- Link assembly at the bottom of the uprights to strengthen the bottom track against attack.
- Fully framed and custom-made.
- Manufactured from galvanised steel.
- Manufactured at our LPCB ISO audited factory.
- Suitable for both coastal and inland conditions.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Attack tested to ensure they conform to Trellidor strength standards.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
