Beautifully made, customised, multi-purpose
mesh screens for doors and windows.

TRELLIDOR
THE ULTIMATE CRIME BARRIER

GriffinGuard security screens are designed to provide clear views of the outdoors while acting as a security barrier that also keeps out insects and small wildlife. With its sleek, contemporary design, GriffinGuard is the ideal extension to your existing security and complements any decor style.

FEATURES & BENEFITS

- Beautifully made with a quality finish at an affordable price.
- Streamlined, full aluminium frame.
- Mesh screen blocks out everything from insects, snakes and baboons to larger unwanted intruders.
- The mesh screens blocks out up to 60% of the sun's UV rays to help control internal temperatures, improve energy efficiency, reduce glare, and shield furniture from damage.
- Allows air to flow freely into the premises but blocks out high winds up to 50%.
- See through mesh will not obstruct one's view.
- Fitted with strong "multi-point" locks that are known for their strength.
- The screens can be mounted in the reveal or face-on, depending on the location.
- Custom-made to fit any type of door or window.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.
- Attack tested to ensure they conform to Trellidor strength standards.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
