TRELLIDOR
THE ULTIMATE CRIME BARRIER

A fully automated Rollerstyle Shutter offers effortless protection for homes and businesses with a refined, stylish look. These neat, compact security solutions create a formidable obstacle to intruders, offering enhanced protection every day.

FEATURES & BENEFITS

- Custom-made for doors, windows, and other openings for best fit.
- Motor options include solar powered, manual over-ride and battery back-up.
- Can be linked to 'smart home' automation systems for integrated security.
- Can be retrofitted or fully incorporated into the design of a new building for seamless security.
- Controls include wall-mounted panel, hand-held and key ring remotes.
- Neat, compact shutter box can be recessed in wall or ceiling cavity depending on location.
- Rolls up out of sight when not required, leaving floor free of tripping hazards.
- Choice of shutter slat styles, such as solid, vented or punched, for varying light and air penetration.
- Can assist with internal temperature control and sound insulation.
- Manufactured at our LPCB ISO audited factory.
- Pre-treated for enhanced corrosion and UV resistance to increase its lifespan and retain the quality finish.
- Suitable for both coastal and inland conditions.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
