TRELLIDOR
THE ULTIMATE CRIME BARRIER

Trellidor Burglar Guard provides budget-friendly window security in a clean-lined, neat format. It is the perfect choice for homes and offices with lots of windows that need protecting and for windows that don't need sliding security barriers.

FEATURES & BENEFITS

- Powder coated electro-galvanised steel fixed burglar bars for windows.
- Three burglar guard designs to choose from including flat bar, single X, double X.
- Made from attractive and practical oval shaped tubing that is easy to clean.
- Semi-framed for strength plus other strengthening features.
- Tamper-proof fixings for increased resistance to attack.
- Affordable, superior burglar proofing.
- Suitable for medium to high security risk locations.
- Can be fitted face-on, in the reveal, horizontally or vertically.
- Carries warranties against defective workmanship, materials and corrosion.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Manufactured at our LPCB ISO audited factory.
- Attack tested to ensure they conform to Trellidor strength standards.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
