FOR MORE INFO

Best-sellers for over 40 years, the high-end Trellidor Trojan Classic Retractable Security range of barriers has few rivals in terms of strength. Engineered to provide top-quality protection and made from galvanised steel. These neat, compact barriers will provide your home or business with superior, resilient protection every day.

FEATURES & BENEFITS

- 1.2mm top track with integrated shroud.
- Purpose designed stainless steel rivets for strength under attack and corrosion resistance.
- Glass filled nylon upright wheel holder assembly for strength against medium to high attack.
- Upright assembly with roll-formed steel uprights for overall unit strength.
- Fitted with a unique Trellidor locking system: multiple locking points with 1 key point.
- Upright glass-filled nylon sill guide with galvanised steel insert and zinc plated spacer tube with stainless steel rivets to resist high attack.
- Robust double upright design, links cross over and connect three upright bars for easy operation, strength and durability.
- Link assembly at the bottom of the uprights to strengthen the bottom track against attack.
- Attack tested to ensure they conform to Trellidor strength standards.
- Reinforced anchor plates at fixing points for increased strength on fixing holes.
- Fully framed and custom-made.
- Available in retractable or fixed models.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.
- Multiple point deadlocking system only.
- Engineered with strengthening features to resist attack.
- Special options include curved units, angled units, hinge away track and an electric lock.
- Anti-lever shroud to prevent attack against the locking system.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
