TRELLIDOR
THE ULTIMATE CRIME BARRIER

ShutterView SD combines the strength and security that Trellidor is known for with a sophisticated sleek look. These elegant uncluttered aluminium shutters come with built-in strengthening features for high-level protection of your home or office, so you can enjoy life with ultimate peace of mind.

FEATURES & BENEFITS

- Custom-made aluminium louvre shutters for doors and windows.
- Each louvre is reinforced with a threaded internal steel bar along its entire length.
- Fitted with a unique double Trelidor locking system: multiple locking points with one key point.
- Provides security even when the louvres are in the open position.
- Unique side locks ensure less light bleeding through the sides of the louvres.
- Attack tested to ensure they conform to Trelidor strength standards.
- An all-in-one product that replaces blinds, curtaining and burglar bars.
- Concealed internal louvre driving mechanism for improved

security and a neat, uncluttered finish with no metal components blocking the view.

- Choose the split of connected louvres to suit your light and privacy preferences.
- Patented S-shaped louvre design provides upright panels when closed, better airflow when open, and better rainwater run-off.
- Top-of-the-range customised stainless steel hinges for increased strength.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.

Trelidor and The Ultimate Crime Barrier are registered trademarks of Trellicor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trelidor security barriers are only available through authorised Trelidor franchises. Our products are all custom measured, manufactured and fitted by Trelidor trained and certified technicians.
