TRELLIDOR
THE ULTIMATE CRIME BARRIER

The contemporary ShutterView SS II is the perfect all-in-one door and window treatment for homeowners looking for style and class without compromising security. Ideal for spaces in developments with peripheral security (such as eco-estates, golf estates and gated communities), ShutterView SS II adds fresh style to any home's décor while protecting it from wildlife and other intruders.

FEATURES & BENEFITS

- Custom-made aluminium louvre shutters for doors and windows.
- Internal driving mechanism.
- Larger sizes available due to lighter construction.
- No visible fixings ensure a neat outer appearance.
- Colour coded hinges and uniform frames across configurations.
- Fitted with a unique double Trellidor locking system: multiple locking points with one key point.
- Lock is accessible from both sides for ease of use.
- An all-in-one product that replaces blinds, curtaining, and burglar bars.
- Choose the split of connected louvres to suit your light and privacy preferences.
- Patented S-shaped louvre design for good airflow when open.
- Wool-pile on every louvre to improve light ingress.
- Manufactured at our LPCB ISO audited factory.
- Corrosion and UV resistant powder coated components with high quality finish and long lifespan.
- Suitable for both coastal and inland conditions.
- Concealed internal louvre driving mechanism for improved security and a neat, uncluttered finish with no metal components blocking the view.

Trellidor and The Ultimate Crime Barrier are registered trademarks of Trellidor (Pty) Limited. As a conscientious consumer, please remember that given enough time and the right tools, all security barriers can be breached, no matter how well they're constructed. As a responsible manufacturer, however, we endeavour to design, engineer, test and install all our products to give our customers the best possible security barriers the technology at the time allows. Trellidor security barriers are only available through authorised Trellidor franchises. Our products are all custom measured, manufactured and fitted by Trellidor trained and certified technicians.
